

Insulsafe Textiles, Inc.

Purchase Order Terms

9/14/17

Insulsafe Textiles (ITI) is certified to ISO 9001 and has established the following information for all suppliers:

1. Insulsafe will communicate on its purchase orders all special requirements for the processes, products and services to be provided.
2. Upon receipt, all material, product, or services, are subject to an inspection and may include testing.
3. When requested on our Purchase Order Incoming products and services require written Certificates of Conformances.
4. Insulsafe expects that all suppliers will use competent and trained persons in their services to us.
5. Insulsafe tracks supplier's performance for on time delivery and quality of product or service.
6. Insulsafe or its customer reserves the right to perform verification or validation of the supplier by visiting the providers premises as long as it is agreed to by all parties.
7. Should you need to contact us regarding an individual order or service, please use the following contact information as needed:
